

**Individual** services

# 7 Innovative legal solutions under one roof

**Choosing the right advisor** can be difficult, particularly if you are involved in a stressful situation and need to make decisions quickly.

Get the decision wrong and you can end up with inappropriate advice and/or unnecessary costs and a huge amount of additional stress at a time when you probably need it least.

At Machins Solicitors LLP we recognise the need to **establish a proper relationship with our clients** which allows us to understand your individual requirements and to give effective practical advice in an understandable, cost effective way.

**If you require any further information, please do not hesitate to contact the appropriate department.**
