**Family Law**

## Expert family law services

At Machins, our family law team is dedicated to supporting you through life's most challenging transitions, including separation, divorce, and child arrangements. We understand that each situation is unique, which is why our approachable, experienced solicitors including accredited specialists in children's law and mediation, offer practical, tailored advice that fits your individual needs.

As a multi-service firm, our family law team can draw on the expertise of colleagues across our individual and business service departments. This means you benefit from comprehensive advice that considers every aspect of your circumstances, from property and financial matters to business interests and estate planning.

### ... tailored to your needs

Whether you're a high-net-worth individual or seeking affordable, outcome-focused advice, we deliver high-quality family law services tailored to your circumstances and budget.

We combine legal excellence with human understanding. Recognised as a Top Tier firm for Family Law by Legal 500, our team will help you confidently navigate your future.

### Find out more

Contact our experienced team today for clear, compassionate advice.

## How we can help

### Divorce and Separation

Our team helps you manage the legal and emotional complexities of divorce or separation, ensuring your rights and interests are protected throughout the process.

### Financial Settlements on Divorce

We work to achieve fair financial settlements, addressing property, savings, and other assets to secure your financial future after divorce.

### Mediation

Our trained mediator can help couples resolve disputes amicably, reducing stress and avoiding costly court proceedings wherever possible.

### Separation Agreements

A separation agreement can clarify financial and childcare arrangements without going to court.

### Dissolution of Civil Partnerships

We guide you through the dissolution process with sensitivity and expertise, ensuring fair outcomes for finances, property, and children.

### Divorce, Separations and Assets

We handle complex cases involving pensions, business interests, and high-value assets, ensuring your financial security is safeguarded.

### Domestic Abuse and Family Law Injunctions

If you're experiencing domestic abuse, we can help you obtain urgent protective orders and provide confidential, compassionate legal support.

### Children and Child Arrangements

We prioritise the best interests of your children, helping you agree on living arrangements, contact, and parental responsibilities.

### Cohabitation Agreements

Protect your rights when living together without marriage. We draft agreements that set out financial and property arrangements clearly.

### Pre-nuptial and Post-nuptial Agreements

Giving you peace of mind by defining financial arrangements before or after marriage.
